Dear Member,

The President and Executive committee of the ICA of CJ has taken a Green Initiative to go paperless communication via email, text messaging and social media. In accordance with this initiative, the ICA of CJ will send event circulars as well as other communications via email only, as much as possible, to all trustees, executive committee, general members, supporters, sponsors, well-wishers and media.

This is a strategic move by our Organization to save paper which will benefit the environment. In addition, it will ensure time and cost savings to all of us.

Please use the attached Green Form to convey your accurate contact information. We will use this information for all future communication via email, text messaging and social media. If you prefer not to participate in this initiative, please indicate accordingly on the same form.

We are sure that you would appreciate our Green Initiative effort by extending your full cooperation.

Thank you in advance for your prompt response and understanding regarding this matter.

Regards,

Kapil Shah
